Given a Treat.
The boys of St. Joseph's Orphan Asylum were given a rare treat last night. They were feasted upon ice cream, cake, fruits and other good things, and were each presented with a New Year gift. Their benefactor was Mrs. Barbour, who has long been a friend of the institution. She was accompanied to the asylum by her daughter, Miss Giddings and Dr. Stafford. The latter made a short address to the boys, who had altogether a most enjoyable evening.

ALEXANDRIA AFFAIRS

Plans for Rendering Aid to the Worthy Poor.

FREE SOUP HOUSE RECOMMENDED

Police and Other Officials and Citizens Kept Busy.

GENERAL AND PERSONAL

Evening Star Bureau,
No. 701 King Street,
Telephone No. 106,
ALEXANDRIA, Va., January 2, 1900.

The present severe spell of cold weather has been the means of disclosing many cases of destitution, and the police are kept busy locating the worthy poor. Mr. William Shoch, overseer of the poor, is kept busy from early in the morning until a late hour at night issuing orders for groceries and provisions, wood and coal for those who are so unfortunate as to be unable to provide for themselves.

The various charitable organizations are doing all in their power to relieve the suffering. It has been suggested that the opening of a soup house by the corporation authorities, where the destitute could get a bucket of hot soup and a loaf of bread, would do much to relieve the situation. This plan has been put into operation during the severe cold spells in former winters, and proved very successful. It is believed the suggestion will be acted on at once.

Charitably inclined persons who are anxious to help the poor but who have no means can do so by notifying the police, who pass the door, or police headquarters. A telephone message to police headquarters will also result in securing the same information.

There are a number of people who are sick in need, but who decline to make their needs known. This class it is hard to reach. Some of them have been located, however, and their wants attended to. Any one of the charitable societies will take charge of any donations of food or clothing and see that they are properly distributed to persons who are really needy and deserving.

In order that only such persons as are worthy may get the benefit of the city's charity the police thoroughly investigate every case.

Final Arguments Heard.

Final arguments in the case of the commonwealth against Howard P. Marshall, better known as the "Military road case," occupied the morning session of the Alexandria county court at Fort Myer Heights. This case has been in progress since Tuesday last, with a recess for New Year day, and, owing to the importance of the property involved, it has attracted much attention. Judge James M. Love of the Alexandria and Fairfax county courts has presided at the hearing of the case.

The defense has been represented by Attorneys John M. Johnson of this city and Morgan H. Beach of Washington, and Acting Commonwealth Attorney C. C. Carlin has been assisted by Attorney Francis L. Smith of this city for the commonwealth. At the opening session of court Gen. Edgar Allen, United States attorney for the eastern district of Virginia, was present by special direction of the Attorney General. Since then, however, Gen. Allen has had practically nothing to do with the hearing.

Frederick Douglass Association.

At the annual reunion of the Frederick Douglass Literary Association of Alexandria, held here last night, a committee was appointed to protest against the proposed constitutional convention to restrict suffrage and the passage of the law requiring separate railroad coaches for white and colored passengers.

Maurus Robinson, who presided over the meeting, made a lengthy address in commemoration of the life of President Abraham Lincoln and his great work for the colored race. Prof. J. W. Coles, Wm. A. Carter and Dr. Stewart made speeches, and several prominent white and colored citizens were elected honorary members.

General Notes of Interest.

The regular monthly meeting of R. E. Lee Camp, Confederate Veterans, was held last evening. A communication was received from the state grand commander announcing his appointments for the ensuing year. The committee charged with making preparation for an appropriate observance commemorative of the birth of Gen. R. E. Lee, January 19, reported progress. A banquet will form part of the celebration.

The January term of the United States court for the eastern district of Virginia, Judge Edmund Waddell presiding, opened here this afternoon. The regular session was taken up with impaneling a jury and making other arrangements for the trial of cases which have been previously noted in The Star.

The young people of the Second Presbyterian Church will give an entertainment in the church tonight, designed as a farewell service expressive of their respect and affection for the retiring pastor, Rev. J. Ernest Thacker. Mr. Thacker, as stated in The Star yesterday, has left the local church to accept a call from the Second Presbyterian Church in Norfolk, Va.

There will be a meeting of the Agricultural and Industrial Fair Association of Northern Virginia in the rooms of the Business Men's League, corner King and Washington streets, Friday afternoon at 2:30 o'clock. At this meeting it will probably be decided as to where the proposed fair grounds will be located.

A congregational meeting will be held at the First Baptist Church tomorrow evening to consider the resignation of the pastor, Rev. J. H. Butler. Mr. Butler has named March 1 as the date for his resignation to take effect.

Joel Adam will entertain the members of the Woman's Auxiliary in Lee Camp Hall this evening at 8 o'clock by a reading on war times. The regular meeting of the society will be held at 7:30 o'clock.

Magistrate Walter Varney has issued a warrant for the arrest of Ben Johnson, a resident of Alexandria, on suspicion of robbing and robbing William Scheible in Alexandria county a few days ago.

Prof. Leigh W. Held, Jr., who has been visiting his father on Duke street, returned to Princeton this morning.

In the police court this morning Mayor Simpson disposed of the following cases: Elsie Foxlester, Eva Taylor, Tula and Martha Kier, all colored, were charged with disorderly conduct. Each was dismissed except Taylor, who was fined \$2.50. The M. E. Church South Sunday school held its Christmas celebration last evening. The usual program of recitations and carols was rendered with pleasing effect. Mr. Henry K. Field directed the music.

A decree was entered in the corporation court this morning in the case of Eliza R. Dungerfield against Euphemis N. Dungerfield, a chancery suit, allowing the commissioner to accept an offer from J. W. Hammond & Son for the purchase of property on Union street between Queen and Cameron streets.

Charge of False Pretenses.
Samuel R. McFarland, colored, thirty-four years old, was arrested this morning by Detectives Peck and Miller and taken up on a charge of false pretenses. It is alleged that he passed on Mason C. Grasty a worthless check, to which the name of Mrs. D. W. Prentiss had been forged. McFarland, it is charged, made a purchase of \$5 worth of goods at Mr. Grasty's store and then for the purchase of property on Union street between Queen and Cameron streets.

Cheered Senator Pritchard.
President Lincoln's emancipation proclamation freeing the slaves January 1, 1863, was celebrated by the Lincoln Emancipation League at 208 7th street last night. James W. Poe presided, and was the principal speaker. Others who spoke were T. H. Gibson, Jr.; J. L. Nelson and John H. Lewis. A resolution endorsing the course of Senator J. C. Pritchard in his effort to defeat the proposed amendments to the

Important Offerings of Tailor-made Suits.

It is customary about this time to clear stocks of small and odd lots. Thus conditions are entirely in your favor. With this weather, plus the richness, elegance and superiority of the garments, plus the very attractive prices that are now placed on same, they should, and no doubt will be, very eagerly sought after.

At \$24.85, Suits that are fully worth \$35.
At \$19.75, Suits that are fully worth \$30.
At \$16.00, Suits worth \$22.50 to \$25.00.

The \$24.85 and \$19.75 Suits are lined throughout with highest grade taffeta silk. In the \$16.00 Suits the jackets are lined with taffeta silk, while the skirts with high-grade percale. All the favorite materials are represented; and the styles are strictly the latest, so new, in fact, that in the spring modes no material change is noticeable.

Tailor-made Jackets at \$14.75.

Worth from \$20 to \$27.50.

In Overcoats and Jackets kersey is and ever will be the king of cloths; and these are mostly kersey in black, blue, brown and tan. Thus with the assurance of the favorite cloth, in addition to the Parker, Bridget stamp of superiority and individuality, which must be acceded, together with greatly lowered prices, there is formed a triple alliance which should be strong enough to win over the most skeptical and ardent bargain admirer. This is putting it pretty strong, but the facts of the situation or case demand it. Every jacket is lined with best quality taffeta silk.

Tailor-made Jackets at \$11.50.

Worth from \$18 to \$20.

As important an offering in its way as the former; more important to some because easier priced. Of excellent kerseys, in black, blues, brown and tan; also rough cloths. Lined with either taffeta silk or guaranteed satin. Sizes 32 to 46.

Golf Capes Interestingly Priced.

A more sensible, practical and really richer garment than a pretty Golf Cape is not to be found. You know the possibilities of high colors and plaids. The most skilled hands were the ones that made up our stock, thus at any price you have the maximum of style with the Scottish tone of elegance. And now prices are reduced.

\$22.50 Golf Capes Are Now \$14.75.

\$18 and \$20 Golf Capes Are Now \$12.75.

A Beautiful Line of Silk Waists at \$8.75.

An aristocratic line. Highest grade taffeta silks in all the favored and fashionable colors, all daintily tucked and plaited and possessed of other little niceties that are hard to tell of, but which are only found in waists commanding from \$17.50 to \$18.50, which are the actual values of these. Hardly less than a hundred per cent saved on no matter which you choose.

French Corsets at Low Prices.

It is rarely that you come across real French Corsets—for America is famed in that industry and American goods seem to satisfy. Yet, where daintiness and rich extravagance are concerned the French rise above us. We've a lot of French Corsets on hand that were specially made to our order. We will not attempt to tell much about them, but will simply say in a few words it is our desire to sell them quickly and accordingly have cut prices, thus—

Those that were marked \$7.50 are now \$5.25.

Those that were marked \$12.50 are now \$8.75.

Those that were marked \$17.50 are now \$11.75.

Those that were marked \$20.00 are now \$12.75.

Those that were marked \$24.50 are now \$16.50.

20 per cent Off All Under-muslins.

It is customary with most houses to inaugurate a special sale of Muslin Underwear directly after New Year's. We shall fall into the same line. But our offerings shall be different from others. We have not specially ordered hurriedly-made garments for this sale—but grant you 20 per cent discount on the very best and highest class of goods, including the Hand-made Lingerie from France. It seems contradictory to offer goods of this character in the mid-winter month, but the incongruity of time disappears in the economy of the prices.
